

E Classic Category

Mid-priced Performance

Etonic's E Classic category is designed to bridge the gap between our universal Avid Series and our Competition Stabilite line. Superior stitch-out shoe construction and the (RH/LH specific) rubber traction sole set this shoe apart from the competition:

- Classically styled uppers with removable foot beds
- High Performance stitch-out construction with EVA midsoles
- Perfect Slide™ PS8 sole allows for more slide
- Traction rubber on push-off foot
- Raised *textured* rubber heels enhance braking control
- Available in right and left handed

Other styles available, see catalog for complete line

Strike
